## Thoughts from the Wilderness

“Cultivate an attitude of gratitude” is one of the slogans that people in 12 step recovery programs use. For someone recovering from alcohol or drug addiction, being grateful can be a life or death choice. That is, for an addict to wallow in ingratitude or resentment can lead to a relapse, which can lead to death. Of course gratitude is a good attitude for *everyone* to have when possible, as it opens us to far more than sobriety. An attitude of gratitude brings us joy, peace, and better relationships. Most basically, gratitude puts us more in touch with reality. The reality that one’s very life is a gift from God. This basic gratitude to God for life fosters within us gratitude for all of God’s blessings and is contagious, inspiring gratitude in others.

It’s not necessarily easy to maintain an attitude of gratitude in the face of the slings and arrows of outrageous fortune that we all face sooner or later. But the sooner we are able to get back to gratitude after suffering, the happier we will be. And gratitude can help us put suffering in perspective and get through it quicker. The more consistently we are in that place of gratitude because of God’s many blessings and in spite of suffering, the more successful we are at life.

I’ve often spoken about the importance of gratitude in this column. For example, I’ve highlighted this scripture: *Every generous act of giving, with every perfect gift, is from above, coming down from the Father of lights*, James 1:17. Meister Eckhart said, “If the only prayer you ever say in your entire life is ‘thank you,’ it will be enough.” So God is the source of our lives and every blessing. If we simply say thank you to God and maintain that attitude (with God’s help, which we are also grateful for), then we’ve done most of our work! We’ll then be energized, see things as they really are, and respond to God, people, and events with gratitude and love.

As we grow in gratitude, our awareness of how others bless us also increases. If you haven’t done so, please read (or reread) my Rector’s Report from our Annual Meeting in January for my thorough and heartfelt expressions of gratitude to individuals and all who are members and friends of St. John In the Wilderness. Since then I have and we have more to be grateful for.

Thank you and peace, *John+*

## Salads a big success!

Thanks to everyone who contributed a salad to the "Gourmet Salad Bar" on Copake Falls Day. It was a huge success! We sold out in an hour and a half, and made over \$700. We had to turn away many disappointed customers! We could have easily sold twice as much! Thanks too to everyone who helped serve the salads. It was a fun event!

## Successful Summer Soiree

*This letter was published in the Columbia Paper after the success of our Sparkling Summer Soiree:*

To the Editor,

Warm thanks to everyone who contributed to the success of our Summer Sparkling Soiree last Saturday, July 19, at St. John in the Wilderness, Copake Falls. Whether you offered your time, talent, goods and services or financial support, your generosity was greatly appreciated.

Our event served as a benefit for the Upjohn Preservation Fund, created to help us maintain our historic Carpenter Gothic church, completed in 1852. The current priority is to replace the church roof before winter arrives. The festivities included a delightful Jazz in the Wilderness concert performed by John Meyers and Pete Toigo followed by a reception of local refreshments, wines and a silent auction of unique and interesting items.

## Portrait of Kent and Marilyn Kay

Both Kent and Marilyn were born in New York City, Kent at Third and 55th, and Marilyn at 78th between First and York. They have shared many other experiences in life, going way back when they knew each other in elementary school when they cheered on their respective teams. Kent graduated from Stuyvesant High School and Marilyn from Bryant High School and then Hunter College. They were married in 1956 when Marilyn joined Kent in Ithaca, New York where he was just finishing up his degree in veterinary medicine at Cornell. Marilyn was the sole bread-winner for the Kays that year as she taught physical education in Ovid, NY. Kent first practiced as a vet in Interlaken, then in Pawling, and in 1965 the Kays moved to Millerton where they have lived ever since. In Millerton Kent set up a "mixed" practice initially emphasizing dairy work together with small animals, and later devoting the majority of his time caring for horses (hunters and jumpers).

They raised their family of four boys in Millerton (Christopher, now living in Brooklyn, Timothy in Millerton, Eugene in Minneapolis, and Clinton in Boulder). All the boys helped out in the veterinary clinic, feeding the animals and cleaning kennels, beginning in first grade. Marilyn was the "chief cook and bottle washer," or "jack of all trades," of the practice, later becoming office

manager. With the family settled in Millerton, the Kays started looking for a church, and were welcomed so warmly by the parish of St. John's, that they decided it was the right church for them. Members of the church choir for many years, they have both served on the vestry and as warden, and on search committees. Kent served on the Building & Grounds committee and successfully worked to get St. John's on the National Register of Historic Places in 1995. Marilyn has been clerk of the vestry from 1994-97, and then clerk from 2000 on. She was also President of the ECW, and taught Sunday school. They have fond memories of going off on trips with the Sunday School children led by Fr. Byers including Montreal, Williamsburg, and Toronto.

They enjoy their six grand-children, Alex, 21 years old, Alycia, 18, Emily, 23, Jessica, 21 and twins Gabrielle and Genevieve, 9. Kent does beautiful work as a re-finisher of furniture, and continues to create pen and ink drawings. Marilyn likes to garden, canes furniture, paints and wallpapers, and likes to play tennis (she is part of a Ladder League with friends, playing for fun). Both have been strong members of their community over the years, and certainly, have made important contributions to St. John's, always with hard work mixed in with a lively sense of fun.

## Benefit Brunch with Jim Wann October 26, 2014

A benefit brunch at the Greens Restaurant, Copake Country Club, will be held on October 26, 12:30-2:30pm. Fr. John will be the honored guest as we celebrate his 5 plus years of inspiring service to St. John's. The benefit will raise funds for the church's operating budget and for the Taconic Hills Backpack Program of the Northeast New York

Food Bank. Jim Wann, a parish member, Broadway composer and singer, will perform at the brunch in the lovely patio room at the Greens. Invitations will be mailed shortly to the parish and friends of St. John's. We look forward to a wonderful afternoon.

## A Star is Born

Joseph Bahr, a member of Wendy's Sunday School class, made his acting debut on Thursday, July 31<sup>st</sup>, at the Columbia County Fairgrounds. Joe attended the Mac-Haydn Musical Theater Workshop 2014 and played "mouse" and "grand duke" in Cinderella. Joe's bright eyes and infectious smile lit up the stage in both roles. It was obvious he

was enjoying himself. Friends who attended his performances on Thursday and Friday were very proud of him as were his mom, Amy, his dad, Dave, and his brother, Ryan. Joe and his family live in Queens, NY and spend their summers at Camp Waubeeka in Copake.

Congratulations, Joe!

## Pledge Campaign for 2015

The pledge campaign for 2015 will start this year in late September. St. John's stewardship committee met on Sunday August 31 and set a goal to increase pledge amounts and pledgers by 10%. We will have various members of the parish give brief talks after Sunday services to high-light the ongoing pledge drive.

Our goal is to have all pledge cards in by **Saturday November 8**, the date set for the annual stewardship dinner. Pledges to St. John's go toward the day to day expenses of the church.

With these pledge commitments in hand, the finance committee will then begin work on the church's budget for 2015.

St. John's is a thriving, loving community; help us to increase our activities in the ever-growing circle of our efforts. When we are generous as pledgers, St. John's can then be even more generous to others. Help us reach our 10% goal of increasing pledge amounts and pledgers. Your pledges will be gratefully received.

*Lucy Eldridge, Stewardship Committee*

## Roof Project

We are very close to our goal of \$35,000 to \$40,000 for replacing the roof on the church. The church received a matching gift of \$10,000 from the Pomeroy Foundation and more than \$12,000 raised in the Summer Sparking Soiree. These gifts are supplemented by funds remaining from the Bell Tower restoration.

Great thanks go to Christine Parker and Pete

Krane for their wonderful leadership on the Soiree. More than 50 people attended the concert by Winds in the Wilderness and the reception under the tent. It was a beautiful summer evening with great food and drink and excellent company.

If you haven't yet contributed to the roof replacement, please do! We are in need of \$5,000 more to cover this much needed project.

## We remember

*Rest eternal grant unto them O Lord; let light perpetual shine upon them.*

*Almighty God, Father of all mercies and giver of comfort: Deal graciously, we pray, with all who mourn; that, casting all their care on you, they may know the consolation of your love; through Jesus Christ our Lord. Amen. (BCP pg. 505)*
