

**Information and Vendor Form
Community Seed/Seedling Swap
&
Farmers Market**

Hosted by Church of St. John in the Wilderness

May 17th, 2014 1-5 P.M.

To participate in Seed/Seedling Swap:

Please label your seeds and seedlings with as much information as possible. The seeds we are asking to be in a sealed envelope of your choosing, and on the outside labeled (what the seeds are and type for example, Beefsteak Tomato organic and open pollinated). The seedlings we are asking to be labeled with plant markers or Popsicle sticks. Some things that may interest people are if the seeds/seedlings are open pollinated, organic, heirloom, biodynamic, type of seed and if they have been part of your family for years. Please feel free to email Regina at soxgrl79@gmail.com with any questions.

To Be a Vendor:

Please fill out form below and mail to Regina Shea P.O. Box 167 Copake Falls, NY 12517, by May 15th. Vendor Booths are \$15 dollars and please make checks payable to Church of St. John in the wilderness.
